Amendment of Its Casino Hotel Alcoholic  
Beverage License  
**(Two Additions to CHAB License:  
1946 Apparel & Accessories/Cool Jeans  
Wine & WiFi)**

By its Petition (PRN 3041101), Golden Nugget Atlantic City, LLC d/b/a Golden Nugget Atlantic City (“Golden Nugget”) requests amendment to its Casino Hotel Alcoholic Beverage (CHAB) license for several locations within the Golden Nugget casino hotel facility. Golden Nugget has completed construction of the following two (2) locations and the Division of Gaming Enforcement has inspected each of these locations for regulatory compliance:

1946 Apparel & Accessories/”Cool Jeans” is a retail clothing store within Golden Nugget’s casino hotel located on Level 3 (casino level). This retail clothing store is owned and operated by Golden Nugget. In addition to the sale of retail clothing merchandise, Golden Nugget seeks the amenity of a wine dispensing machine within its retail space for the ability to offer each patron one (1) complimentary serving of wine per visit, with each serving consisting of two (2) ounces. The wine dispensing machine will only pour two (2) ounce samples and will only be operated by a TIPS trained employee of Golden Nugget who will be given an electronic activation device preventing any dispensing of alcoholic beverages by patrons or any other unauthorized individual. Golden Nugget

seeks a Type II (hotel) authorization for this location for the service of alcoholic beverages in open containers for on-premise consumption.

#### Wine & WiFi

Wine & WiFi is currently in use as a WiFi lounge in which patrons who enter the lounge area can receive a WiFi signal for their electronic devices which utilize such signal. Golden Nugget seeks the additional amenity of a wine dispensing machine within this space for the ability to offer patrons servings of wine, with the patron requesting a serving consisting of either three (3) or six (6) ounces. The wine servings of either size would either be paid for by the patron or provided as a complimentary for the patron pursuant to Golden Nugget's existing complimentary procedures. The wine dispensing machine will only be operated by a TIPS trained employee of Golden Nugget who will be given an electronic activation device preventing any dispensing of alcoholic beverages by patrons or any other unauthorized individual. Golden Nugget seeks a Type II (hotel) authorization for this location for the service of alcoholic beverages in open containers for on-premise consumption.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby ORDER that the Petition be granted and the CHAB license of Golden Nugget be amended to include 1946 Apparel & Accessories/"Cool Jeans" and Wine & WiFi subject to the following conditions:

1. The conditions of operation of 1946 Apparel & Accessories/"Cool Jeans" (Type II) and Wine & WiFi (Type II) locations are to be in accordance with the representations made in PRN 3041101 and in all additional supplemental correspondence.

2. Golden Nugget will maintain procedures at 1946 Apparel & Accessories/"Cool Jeans" and Wine & WiFi to insure that sales of alcoholic beverages will be only to those individuals over 21 years of age and who are not actually or apparently intoxicated.
3. During operation of the aforementioned approved CHAB locations, and within those locations, Golden Nugget will comply with all requirements attendant to Type II CHAB authorization, pursuant to *N.J.S.A. 5:12-103g(2)*, and with all alcoholic beverage laws and regulations of the Division of Gaming Enforcement and, as deemed applicable, the New Jersey Division of Alcoholic Beverage Control.
4. Golden Nugget is to obtain all necessary approvals from other governmental agencies prior to commencing operation of the aforementioned approved CHAB locations.
